

Board Bylaws: Policy Manual

Suspension of Policies, Bylaws, Administrative Regulations

Policies, bylaws and administrative regulations may be suspended for a specific purpose and limited time by majority vote.

Suspension of any policy, bylaw or administrative regulation shall undergo the following consideration:

1. Policies, bylaws or Board-adopted regulations shall be reviewed on their own merits rather than the circumstances of the moment.
2. The Governing Board shall decide whether the policy, bylaw or administrative regulation reflects the intent of the Board and the law. If so, the suspension will be denied and the policy, bylaw or administrative regulation reaffirmed in the minutes.

Superintendent's Authority

The Superintendent may suspend all or part of any policy, bylaw or administrative regulation when it conflicts with state or federal law, regulations or the best interest of the District. Suspension should occur in those cases where the District's adopted policy is in conflict with the best interests of the District.

The Superintendent may choose to suspend only that part of a policy, bylaw or Board-adopted regulation which is in conflict if such action appears to be in the best interest of the District. The Superintendent shall report the suspension to the Board. Suspension shall be valid until the policy, bylaw or administrative regulation is rescinded, amended or reaffirmed.
