Meeting commenced at 10:45 AM.

Ricky reminded members that our committee still needs to find a Parent, a Student and SJPD representative.

District safety plans are now posted online at <https://www.metroed.net/safety-docs>. Ricky shared that we are still working on updating the Comprehensive School Safety Plan (CSSP) and said that the plan will be posted internally only. It should not be posted on our public web site.

The Injury & Illness Prevention Plan (IIPP) has been updated and now also includes the COVID-19 Prevention Program (CPP), and it will be taken to the Governing Board for approval. Meagan and Lisa worked together on that. The plan is currently available at <https://drive.google.com/file/d/1K9712Q9CvoyxVqzG0DILosb4QNsZCLJU/view?usp=sharing>

No January incident reports received.

No open business to discuss.
